Sponsor/Vendor Package www.AppliqueGetaway.com July 13 - 16, 2023

About the Event

The Getaway is so much more than just exhibition show! It's a unique opportunity to meet and interact with customers who do not typically attend industry trade shows or conventions. Attendees come ready to shop for and learn about products and equipment to help them establish or expand their skills and knowledge.

AG attendees include small business owners, those who are new to apparel decoration, and hobbyists transitioning to business. The Getaway offers a casual, friendly, FUN environment along with the benefits of a trade show experience: The best of both worlds!

Don't miss the opportunity to target this often-overlooked demographic. Vendor spaces are limited and sell out quickly. The successful addition of a third day to the AG schedule will continue in 2023: a themed Friday shopping + social evening for maximum uninterrupted vendor exposure. In addition, after successfully hosting virtual events in 2020, 2021, and 2022, Team AG is excited to offer all 2023 vendors complimentary participation in 2023 AG Virtual Events.

Be an Event Sponsor

Event Sponsorship Benefits:

- Your logo and/or business name prominently displayed on print, advertising, and online materials
 - Logo display on banner at event entrance
 - 2 trade show booth spaces (10'x20')

All booth fees include wireless internet access and electricity at a flat rate of \$170.49.

AG Passport

The AG Passport is a stamp card that attendees turn in for a special drawing, separate from our regular prize drawings.

Attendees earn stamps by making purchases at participating vendor booths. Vendors may contribute an ADDITIONAL prize for the passport drawing and in exchange will receive a stamper and "Passport Destination" sign to encourage visits and purchases from their booth.

AG passport prize is always a HUGE hit with attendees!

Contribute an **additional door prize** with a minimum value of **\$25** to participate in the AG Passport Program

f @APPLIQUEGETAWAY

Vendor Voices is the fun and fabulous video series that introduces vendors and instructors at Applique Getaway to the attendees. The goal is to showcase what makes each vendor and instructor unique, to spotlight what they can teach or offer to the attendees, and to generate a sense of excitement about visiting the vendor's booth or attending an instructor's class (or both) at the show. A Vendor Voice video is a great advertisement and promotional piece for the vendor featured, and a terrific way to promote both Applique Getaway and the vendors investment in and attendance at that show.

Vendor Voice videos are hosted by AG's Director of Marketing and Outreach, Kristine Shreve. Each video is between 10 – 20 minutes long (although if we're having fun, the length may stretch a little longer!). Videos can be recorded or done live depending on the featured vendor's schedule and comfort level. Kristine works with each vendor prior to recording to ensure that the video features what is unique and interesting about the vendor being featured.

In 2021, the first year the Vendor Voices videos were part of The Getaway promotional schedule, they were one of the promotional features most talked about by attendees. Vendors who had done a video were more recognizable, more relatable, and were the vendors attendees were most excited to see. Because the Vendor Voice video style is relaxed and fun, attendees felt they got to know the vendors interviewed and to trust them. As we all know, businesses and vendors that are trusted and liked are also businesses and vendors that are much more likely to make sales.
